

Name: Dr. Vinay Kumar

Qualifications

- M.B.B.S (2004, KGMU, Lucknow)
- M.D (2009, S.N. Medical college, Agra)
- DM (Gastroenterology, 2017, SGPGIMS Lucknow)

Designation:

- Assistant professor and head of department of gastroenterology, GSVSS. PGI Kanpur

Email: gsvm_knp@yahoo.co.in

Introduction: Area of interest in luminal and hepatobiliary diseases.

Research and publication:

- 1- Portal vein aneurysm in thalassaemia. BMJ Case Rep 2017. doi:10.1136/bcr-2016-218551
- 2- Comparison of endoscopic variceal ligation and propranolol for the primary prevention of variceal bleeding. JIACM 2012; 13(3): 214-7

- 3- Tubercular Liver Abscess in Immuno-Competent Patients. JAPI, August 2011 | Volume 59
- 4- Acute pancreatitis, a significant mortality predictor in acute organophosphate poisoning: an observational study in a tertiary care centre in north India, Original Research Article. International Journal of Advances in Medicine. DOI:<https://dx.doi.org/10.18203/23493933.ijam20231072>
- 5- Spectrum and risk factors for upper gastrointestinal bleed: an experience from multilevel teaching hospital of North India. Original Research Article. International Journal of Advances in Medicine. DOI: <https://dx.doi.org/10.18203/2349-3933.ijam20231451>
- 6- Modified Rockall score: a predictor for outcome in patients presenting with upper gastrointestinal bleed. Original Research Article. International Journal of Research in Medical Sciences. DOI: <https://dx.doi.org/10.18203/2320-6012.ijrms20231613>
- 7- Original Research Article. Assessment of efficacy and safety of daclatasvir, sofosbuvir and ribavirin regimen for 12 weeks as compared to daclatasvir and sofosbuvir combination regimen for 24 weeks in decompensated cirrhotic patients due to hepatitis C virus genotype 3 infection. International Journal of Research in Medical Sciences. DOI: <https://dx.doi.org/10.18203/2320-6012.ijrms20231613>

- 8- Original Research Article. Prediction of esophageal varices and risk of bleeding in liver cirrhosis by aspartate aminotransferase to-platelet ratio index and fibrosis-4 index. International Journal of Advances in Medicine. DOI: <https://dx.doi.org/10.18203/2349-3933.ijam20231073>
- 9- Original Research Article-Comparison of diagnostic accuracy of APRI and Transient Elastography for prediction of esophageal variceal bleed in liver cirrhosis. International Journal of Research in Medical Sciences. DOI: <https://dx.doi.org/10.18203/2320-6012.ijrms20231343>
- 10- Review Article-Antroduodenal Stenting for Malignant Gastric Outlet Obstruction: Technique and Outcome. 2019 Journal of Digestive Endoscopy |DOI: 10.4103/jde.JDE_64_18
- 11- ORIGINAL ARTICLE Palliation of malignant gastroduodenal obstruction with self-expandable metal stent using side- and forward-viewing endoscope: Feasibility and outcome. JGH open. doi:10.1002/jgh3.12110
- 12- Efficacy and Safety of Elobixibat in Patients with Chronic Constipation- A Randomized, Multicentre, Double Blind, Placebo Controlled, Parallel-Group Study from India". Indian Journal Of Gastroenterology

Membership

1. Life member association physician of India
2. Life member Indian academy of clinical medicine
3. Indian national association of liver disease
4. Indian society of Gastroenterology
5. American society of gastrointestinal endoscopy
6. Life member Indian medical association
